

Adopting a union family today helps All union families tomorrow. THEY'RE FIGHTING FOR THEIR LIVES AND OUR FUTURE.

On November 1, 2005, the day care workers at CRT of UAW Local 376 went out on strike. This was after they had been offered a contract with only a 1% increase in pay over a three year contract. For workers making only $8.00 to $12.00 an hour this means about .16 an hour. Also at issue are benefits and lack of RESPECT from management. They have been existing on strike benefits of $200 a week, which doesn't stretch far enough to pay the mortgage, feed and clothe the family and pay the utilities. That's why they need our help!

Adopt a Striking family today!

For a pledge of as little as $25 per month, your Local Union can help feed a striking family, or make health care possible for a sick child. Your local's $150 pledge could save a home. Contact the United Labor Agency today at 860-727-9301 and tell them your Local will Adopt-A-Striking family. Thank you for your support.
